Announcements/Communication

The Bertram Bridge at Indian Creek Nature Center will have a Grand Opening on May 10th at 3:00 p.m.

Wylam noted that the commission has received two invoices for the first partial payment to Impact 7G for Klinsky Farm Historic Register Nomination and payment can be made with commission approval.

Motion by McNall to authorize the payment of the invoices to Impact 7G, second by

Westercamp with all those present voting aye.

At the April 17 HPC meeting, McNall brought forward an idea to fund the Indian Creek Nature Center grant proposal through the general HPC budget. After the meeting, Wylam spoke with Planning & Department and Budget & Finance staff to make sure this was an allowable expenditure. Wylam mentioned that the HPC could fund this project through their normal budget due to the work the HPC did for the bridge relocation. McNall moved to use \$3,000 from the HPC budget to fund the Blue Bridge signage at the Indian Creek Nature Center, second by Westercamp with all those present voting aye.

New Business

Discussion of funding for HPC FY2025 grant.

Motion by Colledge-Skelton to award grant funding as allocated on the spreadsheet after Commission discussion, second by Westercamp and all those present voting aye.
