Announcements/Communication

May Preservation Month at Wickiup went well.

Lientz read an email from Troy Mills, which stated that they have found an existing online version of the atlas they had written the grant for. Troy Mills was glad that they didn't get the grant as it isn't needed now.

Lientz passed around an email from Brucemore thanking the HPC for grant funds.

Steve will attend a workshop on window restoration in Mount Vernon.

New Business

None.

FY 2022 Work Plan

Happel & Pilcher looked at the FY 2022 Work Plan last Saturday. Pilcher stated that she felt there might be more participation if people chose what projects they wanted to do, rather than pick from a list of already chosen projects.

Pilcher's goal is to revamp the FY 2022 Work Plan by the end of this fiscal year, which is June 30, 2022.

The group discussed possible options for new Work Plan items, including a "Pitch the Project" workshop for grant applicants.
