RESOLUTION NO. 2022 – 4 –
A RESOLUTION ESTABLISHING THE LINN COUNTY SUSTAINABILITY DEPARTMENT

WHEREAS, the Linn County Board of Supervisors (the “Board”) has the responsibility to protect and preserve the rights, privileges, and property of the county and its residents, and to preserve and improve the peace, safety, health, welfare, comfort, and convenience of its residents; and,

WHEREAS, Linn County has a long standing and previously demonstrated commitment to sustainability and environmental protection as shown through, among other things, its work to preserve and protect outdoor natural areas, to ensure air and water quality, to implement soil and water conservation practices, to engage in regional watershed management and planning, to increase access to critical natural resources, and to include high efficiency and waste reduction standards in facility construction and management; and,

WHEREAS, Linn County’s previous and current Strategic Plan include a commitment to financial health, excellence in budgetary and financial management, and accountability to taxpayers through responsible budgetary decisions that are supported, in part, by implementing sustainability measures, and;

WHEREAS sustainability measures increase the County’s resilience to budgetary constraints, economic challenges, and costly disasters by preparing for the impact of future events and designing practices and policies to better position the County to respond when they do happen; and,

WHEREAS, in accordance with the county’s responsibilities and commitments listed above, the Board on July 17, 2017 passed and approved Resolution No. 2017-07-107 in support the objectives of the Paris Agreement, an international treaty on climate change; and,

WHEREAS, the Board on December 4, 2019 passed and approved Resolution 2019-12-160, in which it declared a climate crisis and committed to accelerated efforts to limit the global average temperature increase; and,

WHEREAS, in 2020 the Board created the position of Sustainability Program Manager within the Board of Supervisors’ department to conduct a greenhouse gas inventory, create and update Linn County’s Climate Action Plan, to provide sustainability education and resources, and to provide subject matter expertise on sustainability practices; and,

WHEREAS, in 2021 the Board created the Linn County Sustainability and Resiliency Committee to help complete an annual greenhouse gas inventory and to help review and monitor progress toward the goals and objectives of Linn County’s climate resolutions.

BE IT THEREFORE RESOLVED the Linn County Board of Supervisors determines the ongoing work of the Sustainability Program Manager is necessary and desirable, and such work advances the administration of Linn County's responsibilities and commitments.

BE IT FURTHER RESOLVED the Linn County Board of Supervisors finds it is in the best interest of Linn County to provide an increased level of visibility around Linn County's sustainability efforts, and to encourage more collaboration between stakeholders.

BE IT FURTHER RESOLVED the Linn County Board of Supervisors hereby creates the Linn County Department of Sustainability.

PASSED and APPROVED this 20th day of April, 2022.
